

Rare Plant Fairs 2025

Specialist Plant Fairs in Unique Gardens

Our popular plant fairs are all held in beautiful and prestigious gardens, making a day out at one of our fairs a really enjoyable and inspiring experience for everyone, whether a novice or experienced gardener. Many of our fairs also support important local charities.

Our Gardens

All of our fairs are held in beautiful gardens, a number of which are not frequently open to the public. Each garden has its own unique character, from those with histories stretching back centuries to more modern gardens created in recent years.

Our Nurseries

We carefully select our nurseries to ensure that they are genuine growers who produce most or all of the plants that they sell themselves. The nurseries that exhibit at each fair are chosen so that we can offer the widest possible range of plants to our visitors, including perennials, shrubs and trees, alpines, bulbs and exotic plants.
